## The problem: recruitment to RCTs

- Recruitment to RCTs can be challenging
- Research to improve recruitment is a priority

## Overview of PhD

### **Aim:**

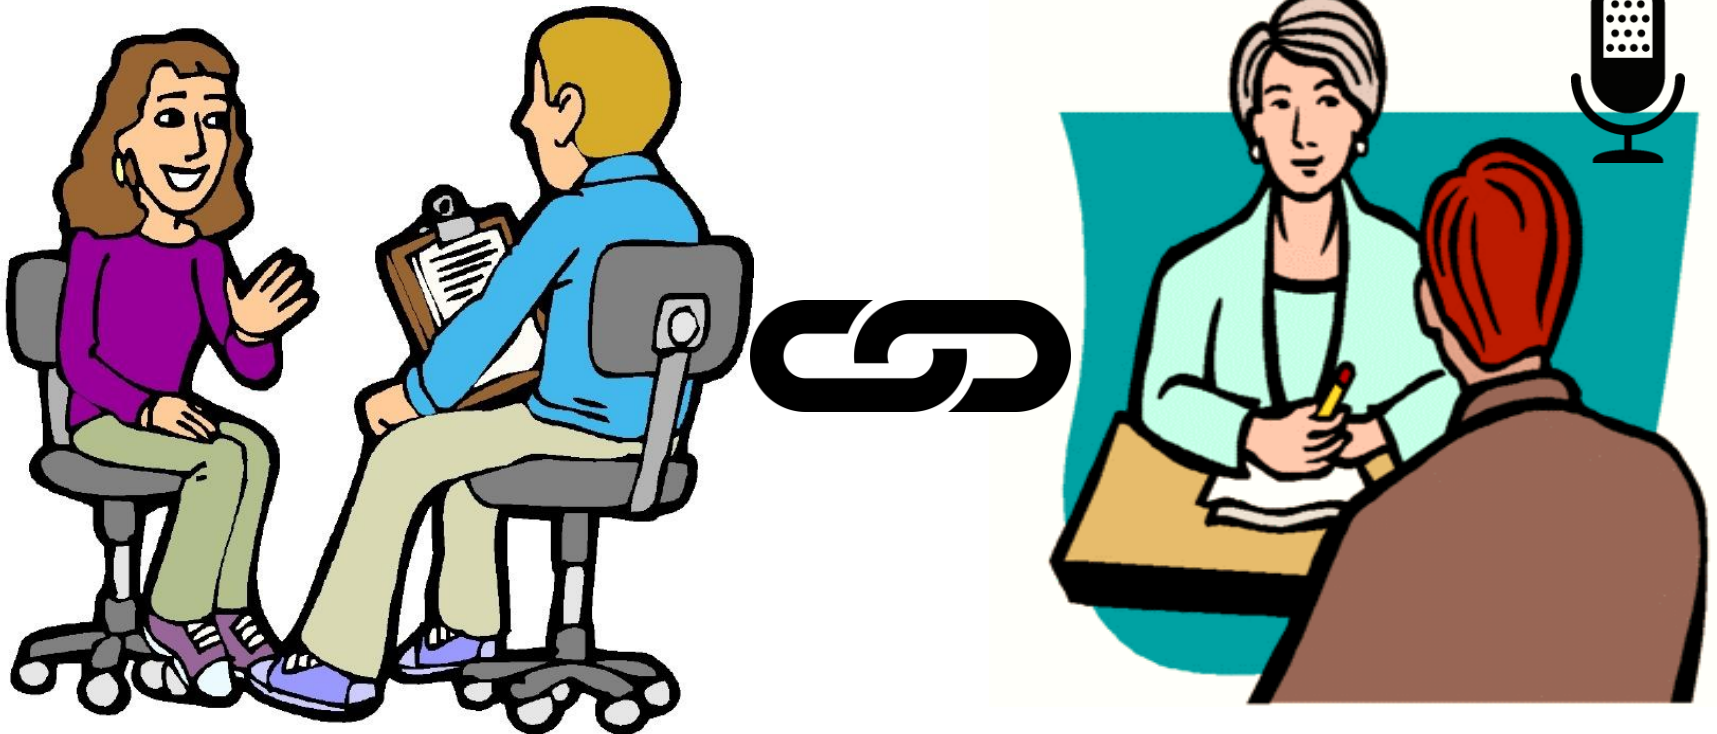

To understand how patients make decisions about RCT participation

What did they understand?

Who did they consult with?

What did they think about the RCT?

# Data collection and method

# Impact

---

## Any questions?

With thanks to my supervisors: Dr Leila Rooshenas, Dr Marcus Jepson, Dr Daisy Elliott, Professor Jenny Donovan and Professor Bridget Young
